Mark your calendars!

Saturday, February 15, 2025, at 1PM, Bandera Electric Cooperative Community Room, located at 3172 State Highway 16 North, Bandera, Texas.

RLAT is hosting a free informative event featuring two important discussions. First, our Texas Commissioner of Agriculture, The Honorable Sid Miller, will speak about important updates and legislative issues that impact our local and state economy. Second, Mr. Eric Kellmann, will make a presentation regarding Emergency Services Districts – what they are, how they are formed, and why.

Both speakers will be addressing timely and important topics that all Texas rural communities need to know about.

After the two presentations, RLAT will hold its Annual Members Meeting. You do not have to be a member to attend, but you do have to be a member in good standing to vote in the election of directors and other Association matters. This is the annual opportunity to get caught up on Association activities, to ask questions, and to offer your input on the mission and purpose of RLAT.

For those who would like to attend but cannot be present, one of our members has kindly offered to “broadcast” it online using Microsoft Teams. If you would like to attend from home using Teams, you can email us at rlaoftexas@gmail.com to receive an invitation.

Please mark your calendars. Admission is **FREE AND OPEN TO ALL**. Refreshments will be served, and there will be a drawing for a **DOOR PRIZE** at the end of the meeting (all who are present will be eligible).

Ranchers and Landowners Association of Texas
Our Mission

1. To be a collective voice in the State of Texas against any person or entity, governmental or otherwise that challenges or seeks in any way to undermine the rights of property owners.
2. To support law enforcement agencies in their efforts to serve and protect the property of the citizens of Texas.
3. To provide educational information and resources on subjects and endeavors relating to property owners' rights and our rural lifestyle.
